JANUARY
1946

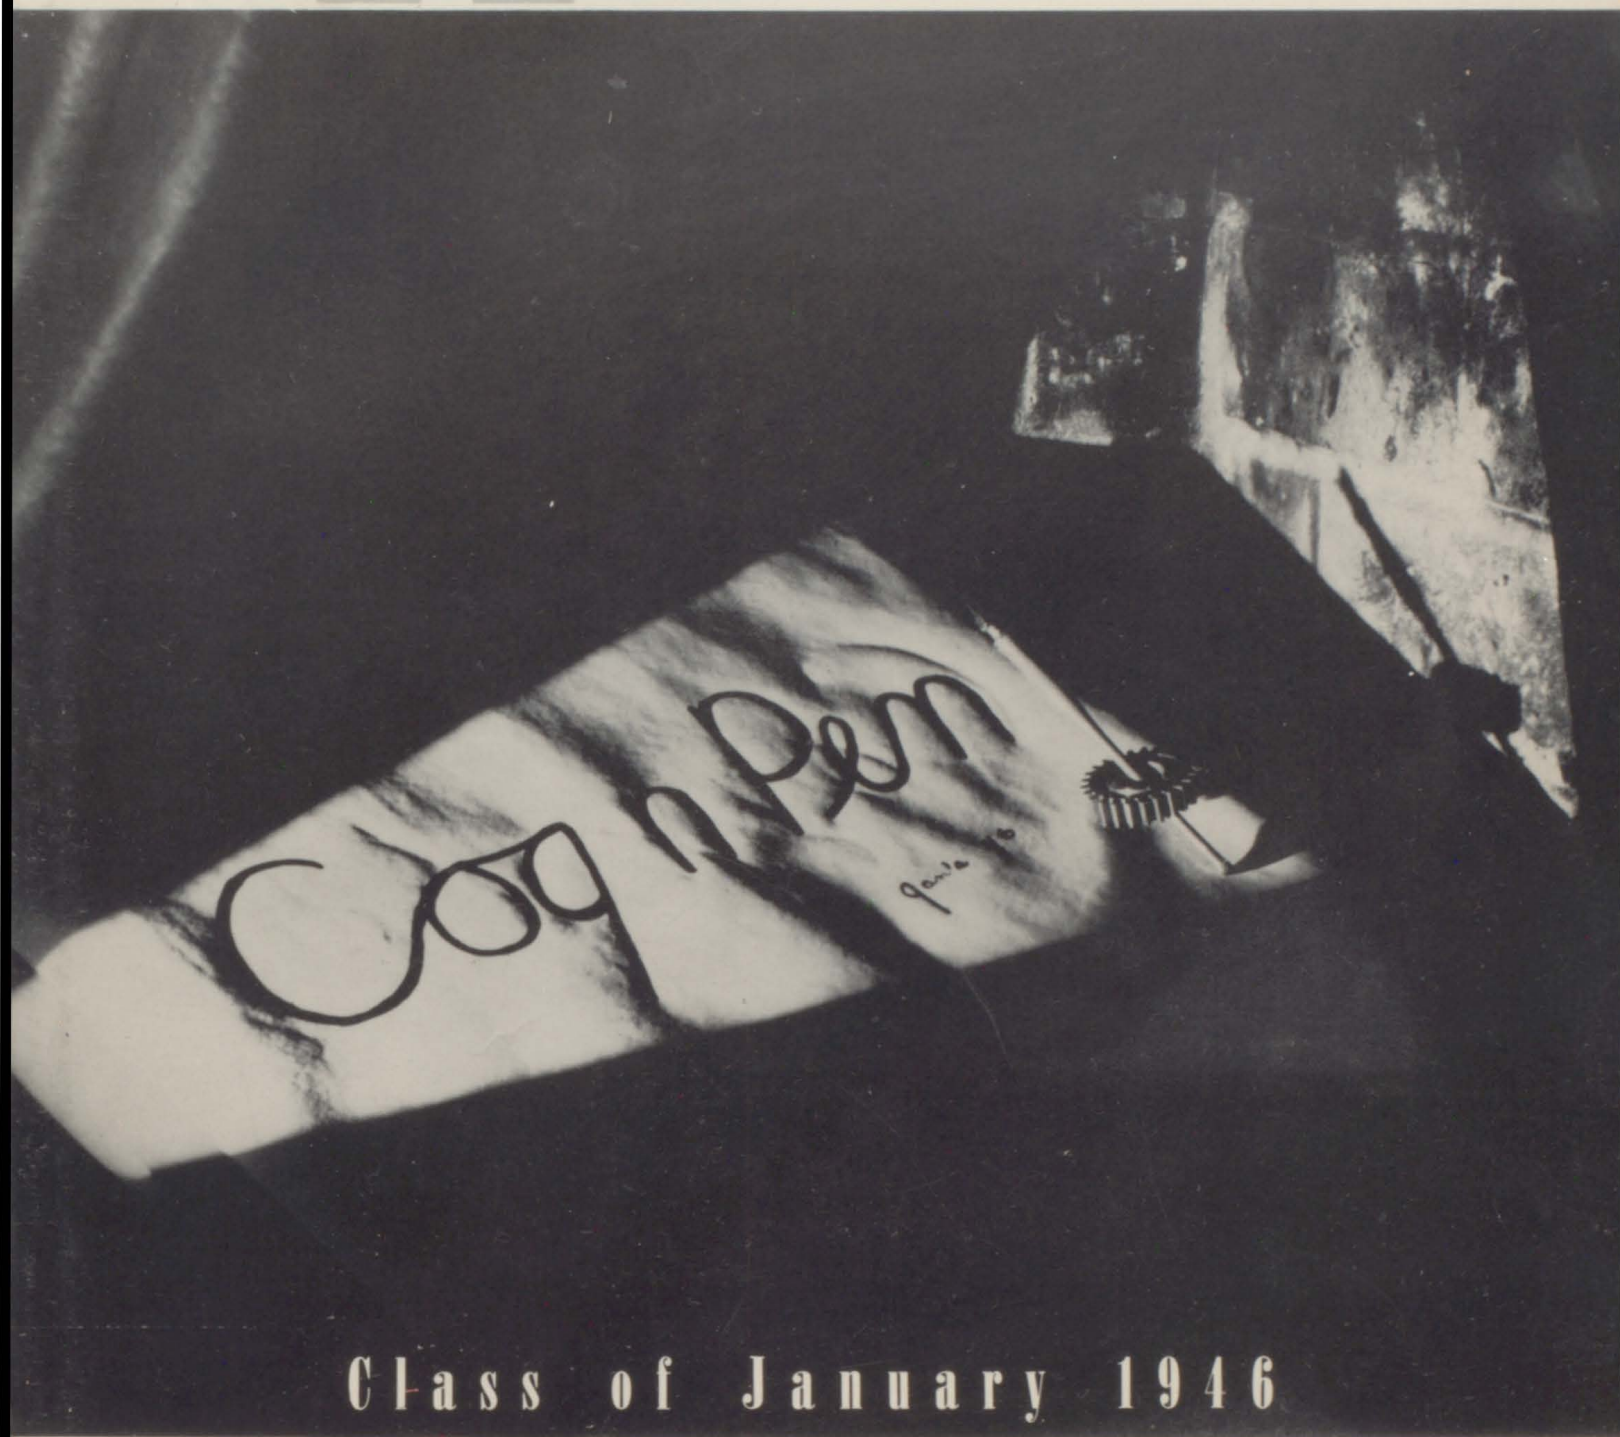

Central Commercial and Technical High School

Newark

Class of January 1946

New Jersey

To the States of Our Nation . . .

To their unprejudiced foundations,
To their lasting resources,
To their majestic mountains, rolling plains,
and fertile valleys.

NEW JERSEY

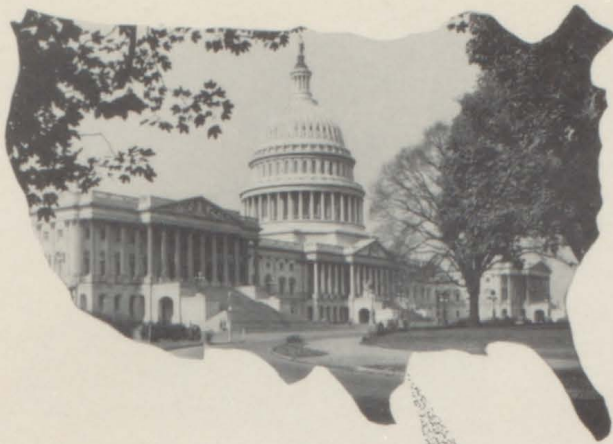

Liberty and Prosperity

To their love of justice, humanity, and
equality,

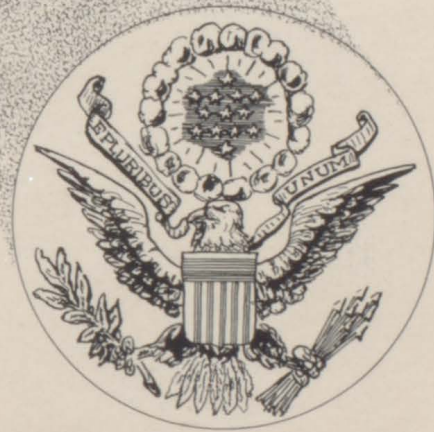

And above all . . . to their unity.

To these states we do dedicate this book.

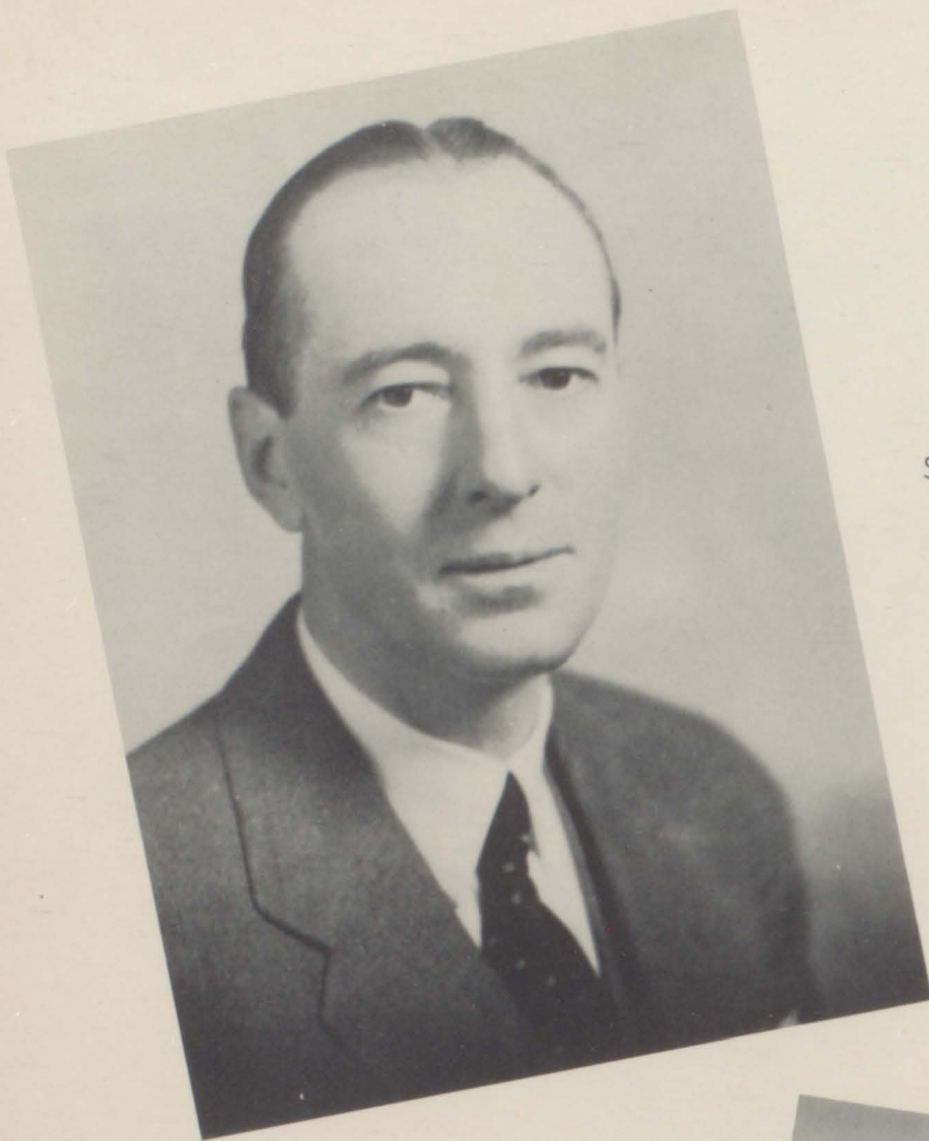

The
Administration . . .

. . . of
Central

Justitia Omnibus
(Justice to All)

OUR LAST WILL AND TESTAMENT

WE, the class of January 1946, of Central High School, being of sound mind (?) and sound body (says our draft board) do hereby dispose and apportion the following articles to the persons mentioned herewithin or without.

To the freshmen we leave the culture, traditions, spirits (of ammonia) and low marks (to be attained in their senior year) that are significant of Central.

To the sophomores and juniors (the proverbial missing links) we leave the admonition to beware of the over-ruling, arrogant, proud seniors.

To the 4B's we leave those obstacles that forever confront the undergraduates. (Know what we mean?)

To the janitors we leave the hope of a self-operating elevator and the broom squad with its long list of charter members.

To officer Shien we leave. (Period)

To nurse Chandler, a thermometer with a permanent reading of 103° F. and a whole case of gym excuses already signed.

To the flag-pole we leave lipstick remover and the aspects of ever blooming love affairs.

To the chemistry laboratory we leave the sweet scent of H₂S.

To the cafeteria we leave the sweet, requesting voice of Mrs. Misurell. SHAD-DAP!

To Mr. Cracken we leave a season pass, with which to get into all the downtown movies to take attendance.

To the athletic clubs we leave **the** roll of adhesive tape and the lack of equipment.

To Mr. Schleicher we bequeath "a kit and kaboodle" of Tech. classes.

To Mr. Miller in his famous roll of Pancho we leave students with a lisp.

To Mr. Wahl, a brand new thermos bottle and enough paper cups to go around the class.

To Miss Gordon we leave a robot who will do all that she bids. (If possible)

To the physics teachers we leave "physics".

To Mr. Rehn we leave a secretary who will not graduate.

To Mr. Nester we leave a set of reversible arrows in the halls.

To "Admiral" Strahan we leave a fleet of toy ships and a bathtub full of water.

To "Doc" Goldstein we leave the U. S. to tell his students about.

To Mr. Rittenband we leave the hope of a **good** band.

To Miss Boutillier we leave the hope of abolishing memory selections, book reports and term projects.

To Mrs. Welles we leave thanks for the gorgeous decorations that made our dances at Central a success.

To Mr. Ralston we leave that which is not material, but is contained in the hearts of graduates and students alike; that fondness and respect that he so well deserves.

We not only nominate but dictate the wish to have as executor of our will, Dr. Schleicher with his knowledge of law, and as trustee, Mr. Griffith, who will administer with a conscience our last will and testament.

Alma Mater

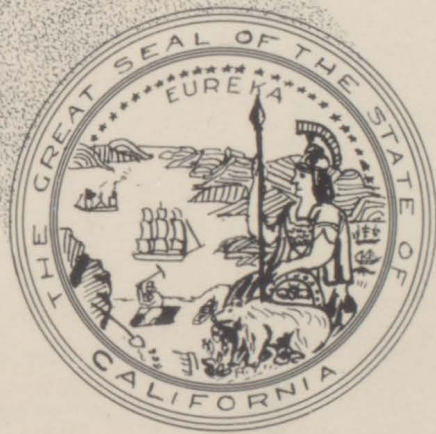

High above the busy city,
Far beyond all reach of ill,
Sits enthroned our Alma Mater,
Our dear Lady on the Hill.

Lift a chorus, send it swelling,
With a leal and loyal will,
And her bounty be the beauty of
Our Lady on the Hill.

(I have found it)

Baseball

1945

WELL worth honorable mention and the overall picture of Central sports, is our "never say die" baseball club. In spite of the handicap of lack of experience, Coach Zachery Sosnow molded the team, with its few returning lettermen and a few newcomers into one of the finest teams in the state. Our team started the season showing possibilities as a championship team by defeating Bloomfield High.

Ted Del Guercio, a reconverted infielder, pitched this game and showed promise of being one of the best pitchers in the state. His battery mate, Ray McLeod, performed admirably and also showed great promise.

As the season progressed, the team with Del Guercio doing most of the pitching, improved immensely. Del Guercio had the distinction of pitching the first no-hit game in the City League. He followed this with some other low hit games. This was due largely to the fact that our fine catcher, Ray McLeod, handled him in Big League fashion. These two boys constituted the best battery in the city.

Two other boys, Bob Hirlemann and Ed Earl, formed shortstop and second base. Although these boys were not stars, they were consistent and partly responsible for the team's success.

Our team was chosen to play in the tournament, and although we lost the first game, the boys played hard until the last out, with shouts of praise ringing in their ears.

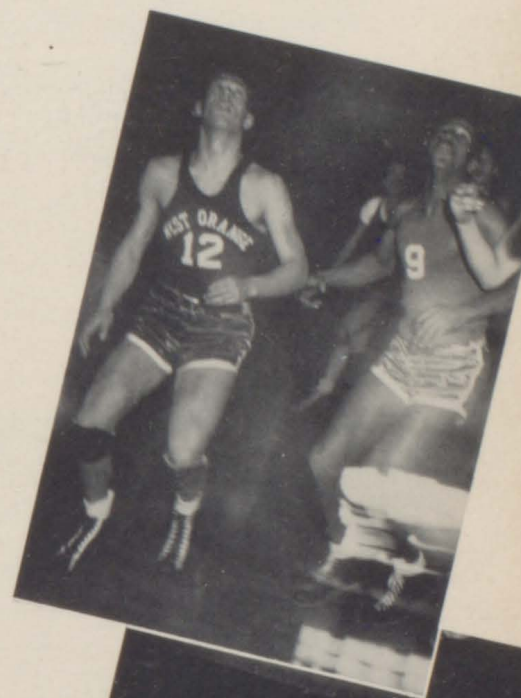

Basketball

AFTER plodding along for a number of years with mediocre or fair basketball teams, Central High last season popped up with one of the really good teams in the history of the school. This brilliant squad ran through its schedule mowing down opponents left and right while at the end of the season it did not have a perfect undefeated record it had one of which it could well be proud. The club dropped only three of its tilts and during the course of the season had gained the coveted title of "City Champion". This was achieved by successfully beating twice every other Newark Group IV high school squad. Central is also able to display proudly in its trophy case the Group IV Sectional Championship trophy because of the efforts of the efficient squad. It is also to be noted that Central went quite a way in the state championship tournament and was only eliminated one step away from the very top.

The graduating class of January 1946 swells even with more pride than the rest of the school because two of its members were also outstanding sparkplugs in this terrific team. The class was proudly represented by the persons of Ed Weber and Howard Scherr. Both these boys played varsity ball and their names and exploits will be remembered by their fellow graduates for many a year.

As a final tribute to this memorable team and its admirable record the graduating class of January 1946 would like to leave the school and our coach Mr. Henry Finck with this thought. We are proud to have been in Central during the time of your glory, for your glory was our glory. With pleasure and dignity we shall always be able to say that we were the contemporaries of a fine group of athletes and sportsmen.

Fencing Team

THE little known fencing team of Central would surprise many of its students with its record. Central High School has had one of the best teams in the state for the last fifteen years. Last year with Mike Di Cicco as their star foilsman, Central lost only one bout to Barringer High School 5 to 4 out of its entire season, but to make up for this they beat Barringer 6 to 3 in a return bout.

The three varsity men who received their letters were Mike Di Cicco, Bruno Folena and Nick Scalera. Others in the varsity team were Archie Kallas, Neil Petrillo, who did not face an entire season and Vinnie Martino. This season Folena will be the only veteran back, with some good freshmen and sophomore prospects. Mike Di Cicco who graduated last June is fencing for Notre Dame gaining a position on the varsity team.

Football

FOOTBALL has been a major sport at Central since the school's opening and through the years the "Blue and White" has established a lustrous name for itself in the football wars.

The 1945 season saw a light but courageous eleven run through a not too successful season but one that never the less upheld the Central tradition. The bright spot was the 25-7 victory over South Side. They were held to a scoreless tie by West Side, but fought hard to nearly upset two out-of-the-city rivals.

Bloomfield, perennial state titlest, was held to a 7-0 score, making the touchdown in the last minute of play. The Orange Tornadoes were held to a two touchdown victory.

The power of the remaining opponents proved the difference as Weequahic and Barringer scored close triumphs but powerful Nutley and East Side soundly trounced the under-manned Bluedevils, the latter securing possession of the technical trophy donated by both schools.

Tony Bellacosa, powerful tackle was the outstanding graduate member of the team. Bellacosa, co-captain of the Bluedevils with Joe Gallagher, has been mentioned on many All-City selections.

Larry Buschio, Gerry Iacobelli and Augie Grasso also played outstanding ball. The boys filled line dots either tackle or guard.

Johnny Boland had a big job as he attempted to fill the shoes of Chubby De Rogatis, last season's star center, but he performed admirably. The other members were end Ed Weber who turned in early because of a side injury, and speedy Jimmy Young who left for service in mid-season.

Late Fumble Beats Central

Bloomfield's In on
Miscellaneous Newarkers
Knot All

A fumble in the final minutes of the game ruined Central's hopes of a victory. The fumble occurred on the 14-yard line, and the ball was recovered by Bloomfield's defensive line. Central was leading 14-0 at the time.

With the game nearly scored again in the closing minutes when Maren-then Kenefick's punt from his 15 to West Side's 15. West Side then scored again in the closing minutes when Maren-then Kenefick's punt from his 15 to West Side's 15. West Side then scored again in the closing minutes when Maren-then Kenefick's punt from his 15 to West Side's 15.

SWIMMING TEAM

AS the last season began, Mr. Bower, the coach of the team, sadly shook his head as he looked over what had turned out to defend Central's title of Swimming Champion of Newark.

Needless to say this bunch of recruits formed around the teams only returning veteran and star, Len Donnerstog, and went to cut a high mark of achievement, in comparison to their inexperienced state. As the season progressed, the team became keyed right down to the last, all important meet the annual Newark High Schools Swimming Meet. It was in this meet, that the team's supposedly inexperienced boys placed in every event at least twice and one event, the 220 yd. freestyle placed three times. The team did so well that it came within one point of the City Championship.

This event wasn't an accident, many days of hard and cold discouraging practice went into the team,—that and a lot of Central Spirit made a remarkable showing.

This coming season finds several of the teams member sgraduating. The boys, leaving the future aquadric work to the under-grads, are Fred Jinks, Ralph De Rose, and Ben Rafanello.

Fred Jinks will be the greatest loss to the team, since Len Donnerstog left, Jinks held down his job at the 220 yd. freestyle as only he could have done.

It was a common sight to see the diminutive Jinks outclass bigger and more experienced men. It is also known that Jinks never placed lower than second in a regular meet, more often he won first.

Ralph De Rose swims back stroke for the team. Ralph was right there in every meet.

Ben Rafanello, who swam the 220 yd. freestyle along with Fred Jinks, also is leaving.

The '46 version of the team will be potentially a greater, and more experienced team than those of past years.

So we leave Central with the knowledge, that Central's swimming tradition will be carried to even greater heights of glory.

CROSS-COUNTRY

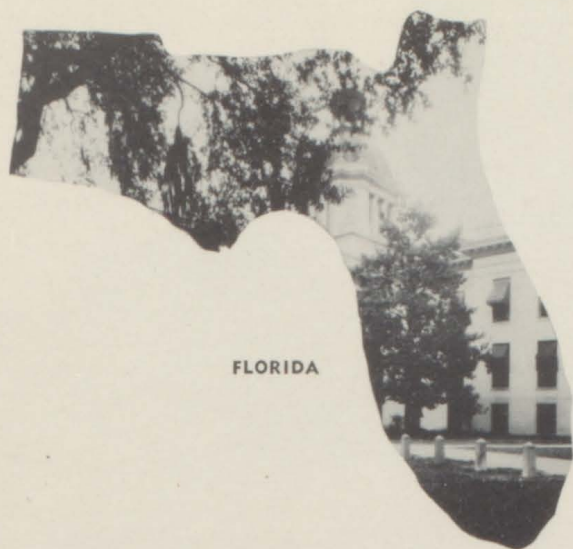

CROSS-COUNTRY is perhaps not one of the most popular sports but it definitely is one of the most gruelling for its competitors. Cross-country requires stamina, strength and a strong will to continue. The fellow that runs cross-country demands a great deal of respect and admiration for he has really worked to earn his "C".

Central's cross-country teams have been fairly successful for the past few seasons placing Central third place in City competition. With Bill Miles, John Ignamorello and Ronald Bundick the team showed a surprising 7th place finish in state-wide competition. Duel victories were scored over South Side, Barringer, St. Benedicts, and Mountain Lakes. Central suffered setbacks from the champion Weequahic squad and West Side.

Individual star was Bill Miles, freshman sensation who lead Central all season. Captain and only graduate member on the squad is Ronald Bundick. This was Bundick's second varsity season and his best. He finished 7th in the city meet and 40th of 200 in state competition. A constant point scorer and threat, Bundick always gave his best.

Also active in track competition before turning his powers to football was Jim Young. Young ran cross-country and formed half of Central's famous two-man track team in the spring. He was City and state 100 yard dash champion for two years in a row.
